PRIMEFORMEN / BUYING CHECKLIST

Best Recovery Boots for Athletes

Record the exact model, dimensions and unresolved questions before buying. Checked boxes reflect your own notes, not product certification.

Selected models to inspect

- QUINEAR corded recovery system, Medium
- QUINEAR rechargeable recovery system, Medium
- SHINE WELL recovery system, Medium

Before buying

- [ ] I checked medical suitability and the exact manual.
- [ ] The length and circumference chart fits my legs.
- [ ] The controller, hoses and stop control suit my space.
- [ ] I understand battery and pressure figures are seller claims.
- [ ] I can obtain compatible replacement parts and clear return terms.

Notes / measurements / questions for the seller:

Do not use these boots to self-treat unexplained leg swelling, suspected clots, infection or vascular disease. Ask a clinician about suitability with relevant heart/circulation conditions, recent surgery or other contraindications. Sudden one-sided swelling/pain, chest pain or breathlessness needs urgent assessment.
